

GRADUATION 2024

FULL SCHEDULE

We are pleased to share with you the 2024 graduation schedule. In this document you will find details of the date and time your programme will be graduating.

All eligible students will receive their official graduation invitation via email over the summer. There will be further instructions on how to register your attendance, hire your gown and purchase guest tickets in this invitation.

It is unfortunately not possible to change to a different ceremony. If the time or date is therefore not convenient, you will have to graduate in absentia (i.e., not attend).

In some exceptional circumstances, you may be able to defer attending your graduation for one year, although this is not guaranteed. If you would like to discuss deferring further, please email graduation@winchester.ac.uk.
