

How to become a University of Winchester student

This is a step-by-step guide to help you apply for undergraduate study at Winchester. If you have any further questions, please contact course.enquiries@winchester.ac.uk or visit our website at www.winchester.ac.uk

Read through the University of Winchester prospectus or visit our website (www.winchester.ac.uk/courses) to find out about the courses on offer.

Come along and experience what it is like to be a University of Winchester student at one of our Open Days or arrange a Campus Tour. Explore the campus, find out more about the subject(s) that interest you and meet staff and current students.

Submit an application through UCAS (www.ucas.com) to the University from mid-September for one of our courses. Make sure you submit your application by the 15 January UCAS deadline.

We review your application and make a decision within two to three weeks of you applying. If you apply for teaching, social work or performance (for example, Drama or Choreography and Dance) courses, you are required to attend an interview.

We hope to offer you a place at the University. This may be a conditional offer, normally expressed in terms of UCAS tariff points, or an unconditional offer if you have already met our entry requirements (for example, those currently on a gap year).

During the Spring, you will be invited to an Offer Holder Open Day, which provides an opportunity to attend a taster lecture for your course, before UCAS will ask you to choose your firm (first) and insurance (second) choice.

In August, we receive your results and, subject to meeting our offer, your place will be confirmed. If your results are not quite as expected, do not panic! Contact our friendly team by calling +44 (0)1962 827234 or emailing course.enquiries@winchester.ac.uk for help and advice.

You then receive a Welcome Pack containing all the information you need in advance of your arrival, with details of activities we want you to complete in advance, such as uploading a photo for your ID card and registering online.

Once you have accepted our offer you will be able to apply for University housing. The University of Winchester guarantees accommodation to all full-time first year undergraduate students who selected Winchester as their firm choice. Please note application deadlines do apply.

We look forward to welcoming you to the University of Winchester.
