

# Course entry requirements and UCAS codes

## Degree

Individual courses have specific entry requirements which are detailed in the following table and on pages 133-135. This information should be regarded as a guide only.

## GCSEs

All applicants must possess a good level of competence in English Language, a pass at grade C or above in English Language or equivalent. A grade C or above in Mathematics or Science (or equivalent) is also normally required. There are specific GCSE requirements for some programmes and these are detailed on page 134 and in the following entry requirements table.

## Access requirements

All applicants are required to have a Pass. However, some programmes of study require a Pass including one module in a relevant subject. Please use the entry requirements table and the key opposite to see if this applies to you.

## International Baccalaureate

All applicants are required to have 24 points. However, some programmes of study require more and/or to include 4 points in a relevant subject at Higher Level. Please use the Fact Files for individual programmes, entry requirements table and the key opposite to see if this applies to you.

### Key for entry requirements tables

-  Single Honours
-  Single Honours which require a Second Subject in Year 1 (see page 155 for more information)
